

The Ultimate Homeschool Planning System consists of three parts:

The Ultimate Homeschool Planner
(for moms)

The Ultimate Weekly Planner for Teens
(for 7th-12th graders)

The Ultimate Daily Planner for Students
(for 4th-8th graders)

The Ultimate Homeschool Planner could be used alone, but the entire system is designed to work together so that your students gradually take on more and more responsibility for their own planning and scheduling. Ideally, the mom should have *The Ultimate Homeschool Planner* and each student should have his or her own planner.
