OR, for a non-textbook approach, purchase

*The Making of America: The History of America from 1492 to the Present* by Robert D. Johnston; National Geographic, 2010 ISBN: 978-1426306631

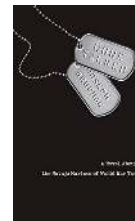

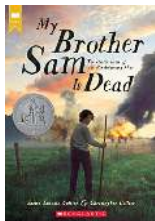

PLUS:

*My Brother Sam Is Dead* by James and Christopher Collier

Additional novels can be chosen from my suggested reading lists which will be emailed once a family registers. It is up to the parent to decide how many books he/she would like for your student to read; I prefer a minimum of 9 (the 3 required plus 6 more of choice), but this is negotiable.

Students will also need two nonfiction books on the topic of each semester project.

The three required novels, the six suggested novels, and the two nonfiction books can all be gotten from your local library, if you prefer.
